

Congratulations

100 km free taxi ride

You have won 100km of free taxi travel anywhere in Melbourne with Yellow Cab.

Some conditions do apply:

1. The journey must start at your current address, which you need to locate on a street directory.
2. You must use as close to the 100km as possible
3. All roads, street, avenues, etc. taken must be recorded, including the direction (left, right, north, south)
4. You must visit or pass through at least 10 suburbs and record.
5. Your route must take you through the central business district (CBD) and conclude at home.
6. For each suburb that you travel through you will need to record a minimum of 4 features of that suburbs, eg. tourist attractions, a public facility such as a park or golf course and any other particular aspects.
7. The project needs to be presented as a booklet (complete with maps and other information as outlined in points 1 to 6) or on a large sheet of card.
8. You have until _____ before the free travel offer will expire (in other words that is when your project is due).

Signed
