

TEACHERS TO LEADERS

Be a Teacher | Be a Leader

GRADUATE CONFERENCE 2022

This is the day that all graduate teachers need. We have teamed with the best of the best to give graduate teachers the energy boost they need to thrive in terms 2,3 and 4. Rob, Julie and David will give you a toolkit to support your classroom teaching and cater for all learners in your classroom.

Literacy - Julie Shepherd will look at the structure of the literacy classroom and give you great ideas to take into term two.

Maths - Rob Vingerhoets, will talk you through differentiation and how you can cater for those varied abilities in your maths classes.

Behaviour Management - David Vinegrad will talk you through managing difficult behaviours strategies and how to manage those friendship issues that arise in every classroom.
